

Proud Supporter of 4-H & FFA Programs

4-H & FFA Terms of Credit
Welcome to our 4-H/FFA Interest-FREE

Student Account Program available in all our Murdoch's locations. Your student account will allow you to purchase your feed and animal health supplies while allowing you to track your monthly purchases on a month-to-month basis. All balances will be carried, interest free, through the due date.

Purchases will be authorized for and limited to 4-H & FFA auction animal supplies only. Accounts are limited to 1 steer at \$1,000 per steer, and 2 of the following animals at \$400 per hog, \$200 per lamb, \$200 per goat, \$100 per rabbit and \$100 per chicken.

Payment will be due in full two months following your County Fair whether or not your animal makes weight or sells. Finance charges will be added to any unpaid balance after the due date at the rate of 1.5% (one and one-half percent) per month, or 18% (eighteen percent) per year, beginning the first day after your final due date.

Any unpaid balance carried beyond the due date will be considered past due and will be subject to our normal collection procedures.

Our computer has a built-in message that indicates your balance must be paid in full each statement period to avoid a service charge. However, our 4-H & FFA accounts have been flagged so that service charges will not accrue unless payment is not received prior to your due date.

Billing questions may be directed to the bookkeeper at your local Murdoch's.
